Peek Inside the Book

People of the same trade seldom meet together, even for merriment and diversion, but the conversation ends in a conspiracy against the public, or in some contrivance to raise prices. Adam Smith, The Wealth of Nations...

Wherever there is great property, there is great inequality. Adam Smith, The Wealth of Nations //

Reader's Opinions

The Wealth of Nations is an overview of economics by the Scottish philosopher Adam Smith around the time of the American Revolution. At the time of the writing, the popular ideology of economics was mercantilism - that is, countries should export as much products and import as much gold as possible. Hence, the somewhat strange title...
