Reader's Opinions

Family Patterns is an amazing book for all readers. The whole book is Christian based. For people who are looking for suspense and family related stories this is the book for you. The story is all about an old family secret that involves a strange disappearance of a woman whose husband is suspected of killing her but he has...

...and you can't judge a book by its publisher! This book has a religious publisher (Guideposts) and while I'm not against that, I don't enjoy books that are preachy and many of the religious publisher books are. This one is not. It's the first book in a series called Patchwork Mysteries. It combines my love of genealogy with my love...
