

SEEING RED: THE TRUE STORY OF BLOOD

What do we really know about the vital stuff in our veins? Some people faint at the sight of blood while others eat black pudding or sip blood soup. Some can't think of it without hearing the faint rustle of a vampire's cape. Others rush to see the latest gory horror film. Why does blood hold such emotional power? Around the world, blood has always been a symbol of both life and death: blood rites, blood oaths, and blood-soaked legends. Today, we have scientific facts about blood types,...
