

PANIC

Alt cover edition for ASIN B00D4XVR80 Michael Evans is only in rural St. Davids to maintain a low profile after his time spent as a city cop ended in disaster. The town is perfect for him: isolated. A tiny population. Virtually no crime. Until the night the strange canisters fall from the sky and the town priest starts killing people with his teeth. To Michael, the bloodbath looks like a murder case that the quiet town's two police officers can't possibly handle. But this...

Peek Inside the Book

From a distance, even the most violent events in nature can seem innocuous and easily overlooked. Thousands of feet above the Earth, viewed from tiny cabin windows, even the mightiest river all that tumultuous and chaotic force becomes just another blue scratch on the land below. The collapse of a star, an explosion a billion miles wide, wreaking havoc on an entire galaxy, becomes just a pin prick of light in the night sky. Had a casual...

Reader's Opinions

This book just wasn't my cup of tea. It's the first book in the Wildfire series by Griffiths. I guess I'm not as into zombies as I thought I was. Rachel comes home from college to celebrate her dad's birthday. When she gets home she finds her father in...
